

**Submission to the Welfare Reform & Work Act (2016): Alexandra Anderson Field**

Date: 02/18/2019

Name: Alexandra Anderson Field

Message:

You dont ask about my biggest worry about universal credit that is the removal of the single person disabled primiums .

I am scared to move due to then having to move to uc. The removal of this primium means how will I afford to get the things that I can no longer do done? Due to other government cuts to the council's budgets they in Birminham have abolished the home help service so I have to get a private firm to sort out some domestic tasks for me
